September Newsletter 2017

Dear Stallholders,

Firstly, I would like to thank everyone for their patience while I found my feet in my new role. I feel I am well established and working towards a great partnership with you all.

Expression of interest

Christmas Eve expression of interest. Stallholders are invited to participate in the proposed Christmas Eve market at the Willows. Spaces are limited so first in will secure their place.

This market will be a prepaid market, you will be required to pay by 30 November to secure your site.

If you are interested please email me on townsvillerotarymarkets@gmail.com

Site Bookings

If you do not require a site that you are booked into please advise via phone or email.

Please remember if you are stall holder at the Strand and Riverway that sites are required to be paid two (2) weeks prior to the market.

I have a waiting list of stallholders and unpaid sites will be reallocated to those on the waiting list.

I do not want to disappoint anyone but to reallocate a site I need to be able to give notice.

I appreciate your cooperation on this matter.

We will feature a stall holder every month.

Night Markets 2018

For your information the night markets will start in February next year.

Important information to remember

Please ensure you have familiarised yourself with the Regulations especially in relation to bump in and bump out to avoid congestion and blocking traffic.

It is of the utmost importance that stallholders do not setup or pack down with their car parked at the front of the stall (especially at the Willows).

Stallholders must unload their vehicle, park their car and return to the site to setup. This should be the same on departing be packed up prior to bring your vehicle on site.

I greatly appreciate your assistance on this matter and that we work together to maintain a fabulous market environment.

Please also remember there is no smoking policy at the Townsville Rotary Markets.

Our regulations and frequently asked questions can be found on our website
